Proclamation for National Native American Wellbriety Month

We, the staff and clients at the Minneapolis American Indian Center, recognize and value the sobriety and spiritual, mental, emotional and physical wellness of our members and our People. We are aware of and support the need for sobriety and recovery from chemical dependence as key to the success of our organization's group efforts.

Recognizing that greater wellness, also known as Wellbriety, is beneficial to our organization and our wider community, we wholeheartedly support White Bison's efforts, in conjunction with SAMHSA and CSAT, in promoting Wellbriety on the individual, family, community and national levels.

Therefore, the Minneapolis American Indian Center supports the proclamation of September, 2002 as National Native American Wellbriety Month.

Sincerely,

Julia K. Nordmeyer / LADC
